1.0 INTRODUCTION
The activities and achievements of the NDIC in the First Quarter of 2020 are presented below.

2.0 PROGRESS REPORT ON THE REVISED 2016-2020 STRATEGIC PLAN AS AT 31ST MARCH, 2020
The Board of Directors at its 106th meeting of September 2019 approved the revised 2016-2020 Strategic Plan of the Corporation. The five-year Strategic Plan (2016-2020) aims to address emerging challenges faced by the NDIC within its operating environment, while also conceptualizing possible issues that could pose some level of significant risks to its operation.

The NDIC, as part of its revised 2016 – 2020 Strategy set out “To be one of the best Deposit Insurers in the world by 2020”. This strategy was anchored on four themes, twelve strategic objectives and twenty-two enterprise initiatives.

4.2.4 Termination of Liquidation Activities

Following the Board’s approval for the transfer of the residual Assets of the 19 banks earmarked for termination to ARCO, the Corporation has effectively transferred the Assets of the 19 banks to ARCO for the consideration price and the banks have been subsequently removed from the Risk Assets Register Asset Management Department of the Corporation.

The Corporation has further identified 13 closed banks for termination of liquidation activities, as the banks have had no substantial realizations of risk assets and physical assets since 2018.

5.0 BANK SUPERVISION

5.1 Risk Asset Examination (RAE)

During the period under review, the joint CBN/NDIC Risk Assets Examinations were conducted on 26 DMBs as at 31st December, 2019. The Corporation led the examination of seven (7) of those banks, namely: UBA, Ecobank, Wema, Standard Chartered, Suntrust, Coronation and Jaiz.
RAE aims to assess income and quality of the assets of the DMBs with a view to ascertaining the adequacy of banks’ loss provisions prior to the approval of their annual accounts by the CBN.

5.2 **Investigations/Consumer Protection**

The Corporation continued to investigate complaints from bank customers and other stakeholders during the period under review. A total of 36 petitions/complaints against DMBs were received and investigated as at 31st March, 2020.

5.3 **Risk Based Supervision - On-Site Examination of DMBs**

During the quarter under review, the risk-based supervision (RBS) of banks were yet to commence. During the fourth quarter 2019, the Corporation, in collaboration with the CBN, undertook the RBS of 11 insured DMBs.

5.3.1 **On-Site Examination of MFBs and PMBs**

The CBN allocated 200 MFBs and 10 PMBs to the Corporation for 2020 on-site examination. A total of forty MFBs were examined as at 31st March, 2020 and their reports are currently being finalised.

The remaining MFBs slated for 2nd and 3rd quarters RBS would be delayed due to COVID-19 pandemic and consequent interstate movement restrictions. All the ten (10) MFBs would possibly be examined in Q4, 2020.

5.4 **Off-site Activities/ Analysis on DMBs, non-interest Banks and MMOs**

i. **Premium Assessment**

The Corporation during the period under review assessed premium rates for the Insured Financial Institutions using the Differential Premium Assessment System (DPAS), and premium payable computed for 2020. The banks were contacted on the premium payable, the CBN was advised accordingly, and respective banks’ accounts were debited.

ii. **Early Warning Signal**

The Corporation conducted an Early Warning Signal (EWS) on all the Insured DMBs to determine their viability, safety, soundness and financial capability. This process provides an early indication of an individual bank’s potential problems as well as systemic problems. The result of the review showed that irrespective of the composite rating of the banks, virtually all of them showed non-compliance or infractions in one prudential threshold or the other of the CAMEL parameters.
iii. **Update on the Integrated Regulatory System (IRS)**

The scheduled functional testing by both CBN and NDIC had commenced in February, 2020, which was followed by a User Acceptance Test by all User Departments in both institutions in March 2020. The contractor was given a deadline of April 2020 to complete one or more modules of the application. However, the COVID-19 pandemic had since stalled the progress of the Software development and as such it has been suspended till further notice.

iv. **Whistle Blowing**

The Corporation received a total of One Hundred and Five (113) Whistle blowing cases from seventeen (17) banks, bordering on service dissatisfaction, unauthorized access to account, cash suppression, fraud, unethical and unprofessional conduct, discrimination and ill treatment among others, during the quarter ended 31st March, 2020. The cases would be forwarded to the Bank Examination Department of NDIC for further investigation.

v. **Report On Status Enquiry Requests (Fit & Proper)**

During the quarter under review, a total of 346 requests were received from the CBN, SEC, NAICOM, and PENCOM. All were evaluated and reported back to the respective institutions.

vi. **Fidelity Bond Insurance**

Out of the twenty seven (27) DMBs and two (2) non-interest banks, only sixteen (16) DMBs and one non-interest Bank submitted their Fidelity Insurance Coverage. A review of the returns showed that ten (10) DMBs and one (1) non-interest bank (68.75%) maintained adequate Fidelity Insurance coverage as required. The twelve (12) banks that did not meet the Fidelity coverage were advised accordingly.

vii. **Mobile Money Operations (MMO)**

There were Twenty-nine (29) licensed MMOs as at 31st March, 2020. Twelve (12) of the MMOs were bank-led, while Seventeen (17) were non-bank-led. Out of the twenty nine (29) licensed MMOs, sixteen (16) active MMOs rendered returns while the remaining thirteen (13) had not rendered returns to the Corporation.

Analysis of the returns revealed that, Total Deposits amounted to ₦9.17 billion. Further breakdown of the deposits showed that, the insured amount, which represented the Corporation’s exposure to Subscribers of the MMO’s stood at ₦4.79 billion, while uninsured portion amounted to ₦4.38 billion as at March 31, 2019.
6.0 ENTERPRISE RISK MANAGEMENT ACTIVITIES

The following Enterprise Risk Management activities of the Corporation were carried out during the period under review:

6.1 The risk assessment was carried out on the NDIC and a report on the risk profile of the Corporation as at 31st December, 2019 was submitted for consideration by the Senior Management and Board Committee on IT/Corporate Strategy.

6.2 The 2020 Risk Forecast of the Corporation was prepared highlighting key risks that the Corporation would likely face during the year while also articulating treatments/controls to reduce their likelihood and impact if they crystallize.

6.3 The Corporation, in consultation with Afenoid Enterprise Ltd., updated Risk Appetite, Key Risk Indicators and Risk Tolerance Policy of the Corporation.

6.4 The monthly and quarterly risk analysis of activities of NDIC across various locations were carried out during the reviewed quarter. Feedbacks were provided on risks facing business units in the Corporation that require urgent attention.

6.5 The Corporation maintained, reviewed and updated its Corrective Action and Preventive Action (CAPA) Plan in line with the requirements of ISO 22301:2012 on continual improvement plan. That includes relevant documents, such as: Lessons learnt register; Incident log; and Business Continuity Management System (BCMS) Issues Tracking/ Management log that had been developed.

6.6 The testing of the availability and readiness of critical suppliers to the Corporation was conducted during the period under review. The essence was to ensure that in the event of any serious disruption, providers of key services will continue to render services to the Corporation.

6.7 The Corporation commenced the review and update of all BCM Framework supporting documents such as BCM Strategy, Emergency and Evacuation Procedure, BCM Competency Manual, Warnings and Communications, Vendors Evaluation Procedure, BCMS Sustainability Plan, Legal and Regulatory Requirements etc.

6.8 The report of the 4th Quarter, 2019 Information Technology test conducted in February 2020 with the Process Owners in various Departments, Units and Offices had been presented to the Business Continuity Steering Committee (BCSC) for necessary action.

6.9 The Corporation undertook physical inspection and evaluation (suitability and proximity to primary office) of three proposed sets of facilities for use as Lagos Office Alternate Site on 13th January, 2020.

6.10 The meeting of the Business Continuity Steering Committee (BCSC) held on 18th March, 2020 where important decisions regarding Corporation’s response to COVID-19 were taken.
7.0 EXECUTION OF CAPITAL PROJECTS
The construction of the three (3) major building projects - Lagos Office Building at Ikoyi, Lagos; Training Centre at Lekki, Lagos and Head Office Annex in Abuja – handed over to the contractors on 24th June 2016 - had progressed satisfactorily during the period under review. Also, the Federal Executive Council (FEC) has approved the construction of the Bauchi Zonal Office and the project was handed over to the contractor on 11th February, 2020. The status of the construction works is stated as follows:

7.1 Lagos Office Building Ikoyi Project (LOBP): The Ikoyi Project is a 15-storey office complex and has reached 38% completion. The Second (2nd) to the third (3rd) floor vertical elements and slabs have been completed. However, slow pace of work was observed.

7.2 Training Centre Project, Lekki (TCPL): The Lekki project is a 9-storey building training facility for the Corporation and had reached 50% completion (adjusted). Sub construction works and basement to the fifth (5th) floor academic wings and the eight (8th) floor residential wing has been completed. Also, the casting of all the staircases have been completed. However, request for extension of project tenure is being reviewed.

7.3 Head Office Annex Project, Abuja (HOAP): The Abuja project has reached 43% completion. Plastering from ground to 6th floor is completed and external plastering is 60% completed. Mechanical and Electrical (piping works) is on-going and the installation of Aluminium cladding profiles is at 35% completion.

7.4 Bauchi Zonal Office Project, (BAZOP): BAZOP site clearance has been completed while the setting out of the Main building, Mosque, Chapel/Crèche and Project office is at 70% completion. Also, the harmonisation of construction drawings by the consultants is ongoing.

8.0 COLLABORATION AND PUBLIC AWARENESS ACTIVITIES
During the period under review, the Corporation executed various public awareness initiatives and sensitized various stakeholders on the practice, benefits and limitations of Deposit Insurance System. Some of the activities of the Corporation during the period under review are as follows:

8.1 The Corporation celebrated the International Women’s Day (IWD) on the 9th and 12th March 2020 in Abuja and Lagos, respectively, as part of its maiden edition to mark the annual March 8 women’s day celebration. A one-day seminar/workshop was organized by the Corporation in recognition of its women as well as to create an enabling environment that would continue to promote women empowerment while mainstreaming gender in both its employment opportunities and
appointment of executives. The theme for this year’s celebration was *I am Generation Equality: Realizing Women’s Rights.*

8.2 The Corporation participated in the 41st Kaduna, 31st Enugu and 11th Sokoto International Trade Fairs with 172, 442 and 153 visitors, respectively to NDIC Pavilions. The Trade Fair platform is used to enhance one-on-one interactions in addressing depositors’ and other strategic stakeholders’ enquiries/concerns while enlightening them on the mandate and activities of the Corporation. It also serves as a veritable avenue to promote financial literacy among visitors to the NDIC Pavilion.

8.3 The Corporation received a total number of 120 students on excursion visit; 80 Students of Banking and Finance from the University of Abuja and 40 Student of Waziri Umaru Federal Polytechnic Birnin Kebbi on Tuesday 25th February, 2020. As part of financial literacy programme of NDIC, students from tertiary, secondary and primary schools are enlightened about the mandate and activities of the Corporation as well as its impact on the stability of the financial system during such excursion visits.

8.4 The Corporation has continued to enhance its public awareness through various social media platforms such as Facebook, twitter, Instagram and LinkedIn. Public awareness activities, such as; monitoring of social media trends, providing analysis of comments for Management attention, and proactive placing of posts messages, placement of images or videos about the NDIC on the social media platforms.

9.0 **LEGAL ACTIVITIES**

The major legal activities of the Corporation during the period under review are as follows:

9.1 About 14 (Fourteen) criminal prosecution cases instituted by the Corporation and pending in various courts, and 27 ongoing investigations with the Financial Malpractices Investigation Unit (FMIU) were monitored during the reviewed period.

9.2 The Corporation continued to monitor the publishing, marketing and distribution of the Nigerian Banking Law Report.

9.3 The Winding-up Orders were obtained to Wind up 35 (thirty-five) Microfinance Banks from the Federal High Court in respect of the 138 MFBs whose licences were revoked in September 2018.

9.4 The Corporation continued to manage and monitor of 21 (twenty one) Corporate cases and 32 (thirty two) debt recovery cases of N100Million and above involving the Corporation and debt recovery proceedings in respect of banks-in-liquidation.

10.0 **CHALLENGES**
Notwithstanding the achievements recorded above, the Corporation is still faced with a few challenges. Some of the challenges included:

- Inadequate documentation of borrowers’ information by failed banks.
- Delay in the amendment of the NDIC enabling Act.
- Unwilling attitude of high net-worth debtors of failed banks to liquidate their debts.
- Protracted legal processes due to frequent adjournment of cases.
- Inadequate public awareness on the Deposit Insurance System.

The Corporation is addressing some of the above challenges through the repeal and re-enactment of its Act, improving public awareness initiatives and the development of Integrated Regulatory Solution (IRS) and the National Association of Microfinance Banks Unified IT Platform (NAMBUIT) Project to improve data integrity and renditions by the insured financial institutions.

11.0 CONCLUSION
During the period under review, the Corporation consistently pursued the achievement of its mandate of depositor protection and the promotion of safe and sound banking practices. As an active component of the Nigerian financial safety-net, the Corporation is committed to engendering confidence and contributing to financial system stability.
