5.0 **Enterprise Risk Management Activities**
The following Enterprise Risk Management activities of the Corporation were carried out during the period under review:

5.1 A report on the risk profile of the Corporation as at 31 December 2020 was submitted for consideration by the Senior Management and Board Committee on IT/Corporate Strategy.

5.2 The 2021 Risk Forecast of the Corporation was developed highlighting key risks that could impede the achievement of the NDIC mandates and objectives and recommended mitigants to reduce their likelihood and/or impact if they crystalize.

5.3 As part of the continual improvement plan, the Corporation successfully migrated from ISO 22301:2012 to 22301:2019 on Business Continuity Management Systems (BCMS) and have continued to maintain: actions to address risks and opportunities; Lessons Learnt Register; Incident Log; and BCMS Issues Tracking/Management Log.

5.4 The Annual Risk Monitoring Exercise on the implementation of ERM Framework conducted for the NDIC Head office, Zonal Offices and some Departments/Units/Offices in Lagos Office.

6.0 **Collaboration and Public Awareness Activities**
During the period under review, the Corporation implemented various public awareness initiatives focusing more on media relations, corporate awareness events, social media/digital/radio/TV engagements, participation in International Trade fairs/exhibitions and legislative liaison. Such strategic awareness initiatives included:
6.1 **Press Releases and Broadcast of Special Events**

6.1.1 The Corporation issued press releases during Q1, 2021 under the captions (i) “SENATE CONFIRMS HASSAN, IBRAHIM AS NDIC’S MD/CE, ED” (ii) “NDIC boss charges ICAN member-auditors on accuracy, integrity” and a rejoinder (iii) “The judgment in Winners Diagnostics & Research Institute Ltd. vs. Ecobank Nigeria Ltd. & 7 Ors. Case No. IST/OA/03/19: NDIC’s reaction thereto”. The rejoinder was released to clarify the NDIC’s position on the judgment of the Investment and Securities Tribunal in respect of the court case under reference.

6.1.2 The Corporation provided publicity on (i) the assumption of duty by the MD/CE and ED (Ops) on the Network Services of the NTA, AIT, FRCN and the print media and (ii) the 2021 capacity building workshop for law enforcement agencies on NTA, TVC, FRCN and over ten (10) national dailies.

6.2 **Social Media Public Awareness:**

In view of the restrictions imposed on its other public awareness initiatives by the COVID-19 Pandemic, the Corporation had placed premium on the optimization of its social media handles such as Facebook, Instagram, Twitter, LinkedIn and YouTube social media platforms. Different creative and engaging live and explainer videos, graphics and infomercials on different aspects of the Corporation’s mandate and financial literacy campaigns were created and deployed on all the social media handles.

Through these efforts, the Corporation recorded a total number of 144 posts across various social media platforms in Q1, 2021 compared to 177 posts in Q4, 2020.

7.0 **Legal Activities**

The major legal activities of the Corporation during Q1 2021 were as follows:

7.1 Continued to monitor a total of 15 criminal prosecutions in various courts and 34 ongoing investigations with the (FMIU). The department continued to review and make inputs into various financial legislations referred to the Corporation by the National Assembly.

7.2 Made input into the following financial legislations referred to it by the National Assembly and also attended public hearing with respect to those bills: (i) The Loan Recovery Regulations Bill 2020 (ii) The Asset Management Corporation of Nigeria (Amendment No. 3) Bill, 2021 SB 669.

and registration of Vesting Orders of 27 Properties belonging to banks in-liquidation during the review period.

8.0 Challenges

Despite these achievements, the NDIC is still confronted with the following major challenges:

i. Delay in the amendment of the NDIC enabling Act.

ii. Difficulty in the execution of judgment debts.

iii. Protracted legal processes due to frequent adjournment of cases.

iv. Inadequate documentation on borrowers’ information by failed banks.

v. Difficulty in debt recovery and realization of physical assets of failed banks due to non-availability of some title documents, protracted litigation on ownership of title documents of debtors and remote locations of properties.

vi. Apathy of customers of some failed banks with small balances, especially those without alternative bank accounts and those with inadequate documentation to file their claims.

vii. Unwilling attitude of high net-worth debtors of failed banks to liquidate their debts.

viii. The Impact of the Fiscal Responsibility Act (FRA) of 2007: Compliance with the FRA Act, 2007 had impaired the growth of the General Reserve Fund (GRF) and, by extension, the growth in the Funds available for both failure resolution and deposit-payoff.

ix. Inadequate public awareness on the Deposit Insurance System.

9.0 Conclusion

As one of the components of the Nigerian financial safety-net, the NDIC has continued to engender public confidence and contribute to the stability of the financial system. The Corporation through its various activities has consistently pursued the achievement of its public policy of depositor protection and the promotion of safe and sound banking practices.
